CONGREGATIONAL MEETING

After the morning service today, the Board of Elders would like to have a brief congregational meeting to discuss one item.

At our Annual meeting in January, the members voted in favor of a summer renovation of our church washrooms. (These two rooms are the only ones in the building which remain original from 1986). The congregation voted to spend up to \$7500 on that renovation. After having a number of quotes from contractors and speaking with our own members who have construction expertise, the elders have realized that more funds are needed to proceed.

This brief meeting is for the purpose of making a motion to increase the amount we can spend to ensure that the renovation moves forward.

The money is available in our maintenance fund, but requires congregational approval to be used. Please join us for this special meeting immediately after the service. Thank You.
