## LIFE GROUPS

This fall we are going to be initiating Life Groups at LCBC! We would like groups to strive to meet once a week and need to be a priority. The groups will be given the flexibility to shape how those weeks look.

**Each group will be inter-generational.**

While we all have friends, we all need people who are in different seasons in life. We want these groups to create new friendships and ways of relating. Kids need adults in their lives, parents need more experienced parents, we all need one another.

**Each group will be welcoming.**

As time goes on, new families may join your group. New people need new connections, and so this will be a way of inviting new people into the life of our church.

**If you would like to be part of LIFE GROUPS, please send an email to [pastor@lcbc.me](mailto:pastor@lcbc.me) letting us know of your interest, and providing any other information that would be helpful (i.e. if you have a group request or very limited availability). Also let us know if you would be willing to host a group and/or be the point person/family for a group.**

We want to make this the foundation of what we do. Our hope is that this will provide a meaningful way to connect and grow, without stretching schedules too far.
